A message from Mike, your 2021-2022 Indiana South District Governor

Hello Fellow Optimists,

“Optimism, Better Together” is International President Patsy Garner’s theme for the 4th quarter of this 2021-22 year. How true this theme really is.

Recently hundreds of Optimists throughout the world gathered in Reno, Nevada for the 104th Annual Optimist International Convention. Working together, sharing ideas together and having fun together are all part of coming together as an organization. Meeting new Optimists, being motivated and returning home energized, all play a hand in the continued spreading of Optimism.

We too, will be coming together soon as Indiana South District Optimists. Our 36th Annual Indiana South District Convention will be held at the Hilton Garden Inn in Edinburgh on August 12th and 13th. Many of us will be coming in Friday night for the joint executive and first general sessions, followed by dinner at Montana Mike’s.

I encourage as many of you as possible to be part of the convention, either for officer training, meeting new Optimists or for sharing ideas to be taken back to your clubs and your respective communities. We will also be welcoming some Optimists from the newly chartered Clay County Optimist Club in Brazil.

“Optimism, Better Together,” it’s not just a slogan. May we all come together as a district to be energized, motivated, and meet new Optimists as well.

Let us also celebrate this year’s 100th Anniversary of our Optimist Creed. Live the Creed and share it with everyone you know; it can change a person’s life.

Our continued growth and success as a district and organization lies in each of our hands. “*Optimism, Better Together,*” let’s change the world one person at a time.

Finally, I look forward to traveling throughout the district these last few months of my year as Governor. Keep up the good work and may we all do everything we can to close out this year in a strong, positive, and Optimistic way. This momentum will lead us into Governor-Elect Kent Reyling’s year and beyond.

I look forward to seeing many of you at the convention.

Optimistically yours,

Mike Novak, Governor

Inspiring Thoughts for Tough Times

Difficult financial times often inspire people to become more extraordinary. Challenge and adversity can push people toward their own greatness. It can launch you on a deeper personal journey toward happiness, fulfillment, and a life of meaning. As you explore ways to gather strength and improve self-esteem, remember, it is not so much about what you have but who you are. May these tips inspire you. May you go from strength to strength and be a source of strength to others.

Broke Is Not Broken

Being broke is not the same as being broken, losing money is not the same as being lost, and finding your balance is not something you can do on a balance sheet.

Having Less Doesn't Mean You Are Less

Do not confuse having less with being less, having more with being more, or what you have with who you are.

Savor Life and Slow Down

When you are in a hurry, go slowly. The faster you go in life the sooner it is a blur.

Prayer Creates a New Path

Prayer creates a path where there is none and turns your stumbling blocks into building blocks.

Courage Is Not Absence of Fear

Put your faith, and not your fears, in charge. Courage is not the absence of fears but how you wrestle with them.

Embrace the Future

If you are busy hugging the past, you cannot embrace the future. Do not let the past kidnap your future.

Change Is the Only Constant

This too shall pass. Change is the only constant. In order to take a breath, you must release your breath.

You Are Great

Things do not have to be good for you to be great.

Indiana South District Oratorical Contest

At the third quarter conference we were all wowed and congratulated our three winners for the Indiana South District Oratorical Contest. They were:

Ian Brooks (representing Avon Optimist club) – first place,

Seth Griffin (representing Georgetown Optimist club) – second place, and

Madison Gould (representing Greensburg Optimist club) – third place.

Ian was excited at the prospect to head to St. Louis and represent Indiana South District in the world championship of Optimist International. In July, Ian was accepted to participate in a different career opportunity event and reluctantly had to drop out of the OI championship competition.

OI and district rules allowed us to offer our second place finisher the option to attend the world championships instead. To our delight and excitement – when Seth Griffin was contacted, he said he was able to attend and was excited at the chance to compete and represent Indiana South at the OI world championship.

Off to St. Louis Seth headed on Wednesday July 20th for the Middle America Region competition on Thursday and the Finals on Friday. If you were able to listen to the live stream (or if you go to the OI site and listen to the recordings) you will hear Seth deliver his speech as smoothly and calmly with the same great message, we heard at our District competition.

Seth was very competitive in the regional contest. He did not win the regional, but we are proud of his strong performance and the way he represented the Georgetown Optimist club and Indiana South District. It was very impressive to see him present on the stage in front of a large audience. As I listened to his speech and to some of the others that day, I felt certain Indiana South was well represented and very competitive with all the others that day. Maybe not the storybook ending we all would want, but truly a great way to end the 2021-22 Indiana South District Oratorical Contest!

Andy Tice

Oratorical Chair

A MESSAGE FROM THE PRESIDENT

July – Optimism... Invest into the future!

We arrived home from the 104th Optimist International Convention in Reno, and by all accounts, it was a huge success. A huge thank you to our Optimist International Staff and the entire team of Reno and West Coast volunteers who worked so hard to ensure a successful convention.

Today's message comes directly from the 2021 Walter Payton Man of the Year, Andrew Whitworth (offensive Lineman - Los Angeles Rams.)

Set to become the oldest starting offensive lineman in Super Bowl history, Whitworth urged players to make a kid smile, tell them they believe in them, or step up financially during his acceptance speech. And to use their platform to hold local governments and officials accountable for programs and funding for giving children "an equal playing field to chase every dream they ever had."

"It's called an investment," he said. "You can apply those three things to any charity or a passionate cause. You can invest your time, you can invest your finances, or you can invest your voice. It does not matter which; we must keep investing in each other. Let your heart lead you all the way."

Walter Payton stood only five foot ten inches – but his heart made him the biggest and baddest football player on the field. That heart also led him to give of his time, money, energy, and soul to make a difference in so many lives. Andrew Whitworth also has that heart - believing that anytime you can make things more than just yourself, putting a smile on someone's face, and make a difference in their lives - there is no more significant victory in service.

When asked what traits most Optimists have in common – I reply, "Optimists are Members with loving, giving hearts who are passionate about the future of our youth." Some invest their time by simply making a kid smile, letting them know that we believe in them. Some invest their finances to support Club programs and youth activities. Some infuse their voices thru Club leadership and make changes in communities to better serve our kids in today's society.

Next week kicks off two Optimist International Signature programs; The Optimist International Oratorical World Championships and The Optimist International Junior Golf Championships. Thousands of students have participated in various levels of competitions, providing opportunities to participate in these world-class programs, all because of your investment in their personal growth and futures.

Yes, Andrew Whitworth - There is no more significant victory in community service. We are investing in each other, leading with our hearts!

Excerpts from the daily news:

Headline: No universal laws abrogated

Scientists across the world have reconfirmed that, as far as they can tell by all of the evidence, all activities of the universe are continuing. While some of them deny any source of personal creation, none have reported that no universal laws have been abrogated. Plans remain underway throughout the scientific community to seek ways of refuting any personal Creation, but to date no evidence has been produced. The following short list of universal laws still functioning include:

Stars, Moon, and planets remain in their respective patterns of movement.

The Sun transmits heat and light, which in turn support life on earth.

The birth process of humankind continues where unimpeded by human preventive action.

Sports fans remain optimistic (or at least hopeful) for the favorite team.

Political forces clash.

Headline: Generous to heroic actions reported

Meanwhile, the seeming number one temporal force -- humankind – continues to function in an expected manner. Of the six billion (or more) known inhabitants scattered abroad, there remain a large plurality who are going about their daily activities of living day-to-day, working, playing, seeking food, rest, and recreation to fulfill their respective daily needs. Some commentators indicate that the number of people responsibly pursuing their understood life purpose has dwindled recently, in the face of a widespread plague of crime and violence. Reports from both private and public sources, however, list an increasing number of generous, self-giving, and even heroic actions. Love abounds. Some attribute these aberrant activities to "a reflection of a heavenly Creator's goodness," while the battle roars over whether or not such heavenly entity exists.

Leadership

Is not-Doing everything yourself
Is not-Doing the Same Old Thing
Is not-Never Failing
Is not-Pointing Out What's Wrong
Is not-Shooting from the Hip
Is not-Putting Your Family Second
Is not-Separating People into Groups
Is not-Micro Managing

Leadership is having people do what they haven't been doing, so they can get What They Want!

Leadership is providing Direction and Purpose to Their Goals

Last but not least, Leadership is Showing People They are more than They Think They Are!

Learning Management System now available for OI members

BIG NEWS! You Can Now Use the LMS, Plus Free Access for Club Officers

Dear Optimist International Leader,

The launch of the new Learning Management System was a big step forward for Optimist International to improve the way we provide training materials to Clubs. In the weeks since the launch, we have shared your comments with President Adrian Elcock. He wants you to know that we appreciate your positive response. Based on your feedback we have re-iMaged our roll-out plan.

Many Clubs shared that they would prefer individual accounts rather than a shared Club account. We are now giving each Club four FREE licenses to the system. These licenses are reserved for the Club President, Club President-Elect, Club Secretary Treasurer, and Club Foundation Representative (this will be updated every year for the new person in each role). When your Club signs up for the new license, we will remove permission for the current generic Club account.

In addition, we are pleased to announce we will also offer all Optimist members a chance to purchase a license for \$6 USD per year per member. If your Club would like to pay for members, please contact michelle.turner@optimist.org.

With everyone having the opportunity to be in the system, we will be able to track each member's progress as they complete courses. Past officers will have the option to renew their account each year for the same fee.

Please see the attached documents with instructions on how to log in for the free membership and how members can register. Please note that promo codes are located at the bottom.

Thank you,
Michelle Turner
