Message from Governor Kent...

Hello Fellow Optimists,

As we wrap-up 2022 and prepare for 2023 with Optimism, there is no better way to get off to a good start than to participate with other Optimists from your Indiana South District at our Super Zone meetings. We hold these in the North (Jan. 14) and the South (Jan. 21) to make it easier for people to attend (less travel) during the winter weather. Please note that these gatherings are for ALL Optimist members (not just officers of your club), and we encourage you to bring your "Rising Stars" to this gathering to expose them to other Optimists and new ideas/possibilities.

Our focus continues to be on "Better Together", sharing what we are doing well with our individual clubs and what we could use some help from others with. **Please come to these gatherings with insights on those things that you specific Club are successful with as well as those things that you are challenged with right now.** We want to help you to provide service, create awareness and spreading Optimism within YOUR communities.

PLEASE encourage your members to join you and us in attending one of the gatherings. You can attend either one (or both if you want 😊). Choose the date and location that works best for you. The theme for this Optimist year is BETTER TOGETHER. Let's all get together at this 2nd Quarter gathering and work together to make our clubs and selves better. And have FUN doing it!

See you in there!

Kent Reyling, Governor, Indiana South District Optimists 2022-23 year
